Class	Location	Price
Prolog® Essentials	eTraining	\$800 per student

eTraining (5) 2-hour sessions from 1-3pm Eastern

This course provides interactive exploration of the power of Prolog Manager in controlling project costs, streamlining paperwork, and organizing the details of construction projects using Prolog® Manager 2008. You do not need prior experience using Prolog® Manager or any other project management software. The course is designed to emulate the progression of a construction project using Prolog® Manager. All instructors are experienced AEC industry professionals who can relate to your needs and answer your questions.
