## Support Page

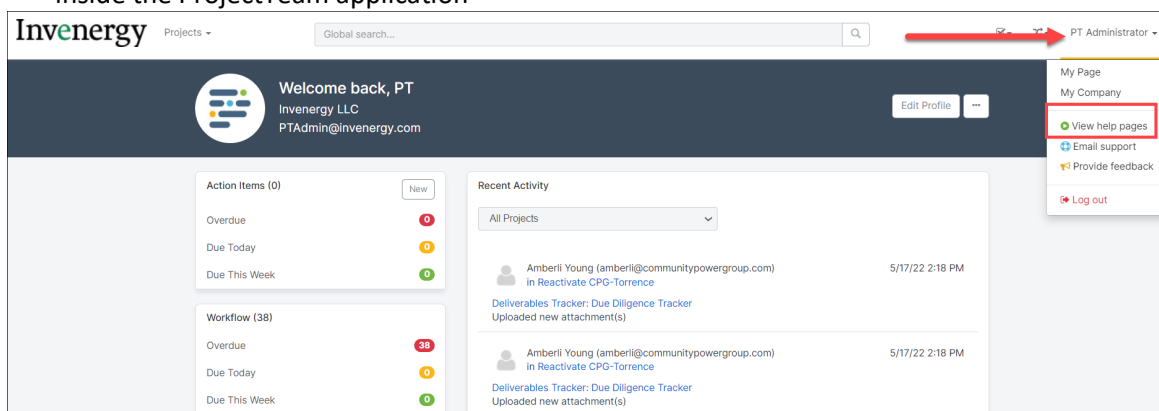

Invenergy has a support page outlining how to get help, request training, access to training videos, and quick reference guides. You are currently reading one of the first articles included in our knowledge base and we encourage you to start here whenever you have a question regarding Invenergy processes. You can also access ProjectTeam, Inc support page regarding functionality in ProjectTeam.com.

You can get to Invenergy's knowledge base in different ways:

- Bookmarking the URL: (<https://www.projectteam.com/invenergy>)
- Clicking the Support page link

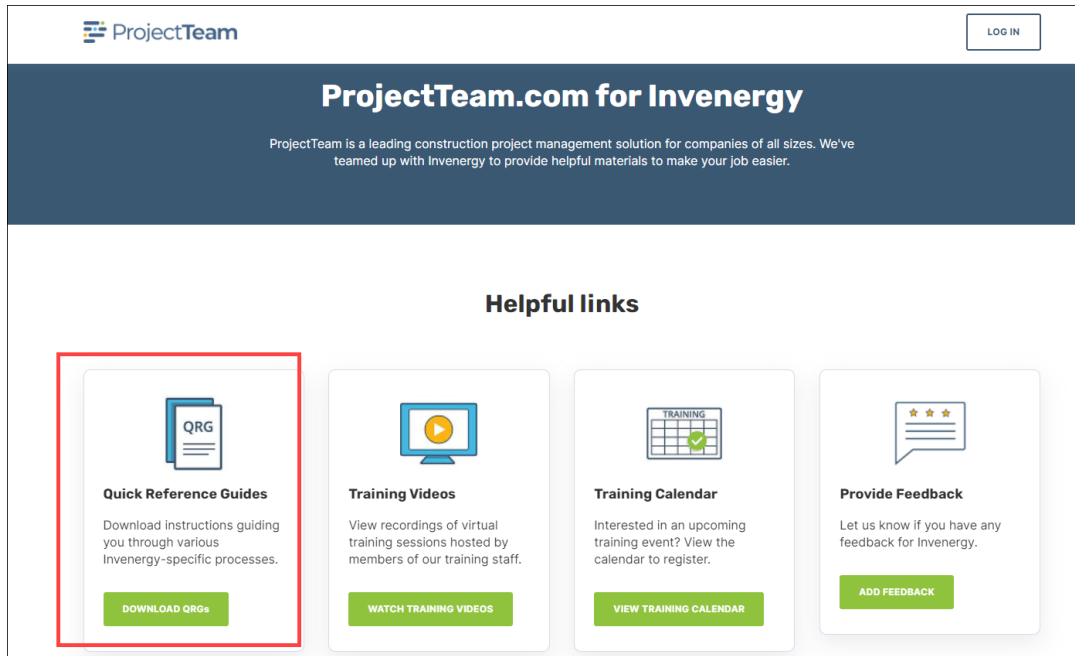

- To navigate to ProjectTeam, Inc support pages click on View help pages link under your name inside the ProjectTeam application

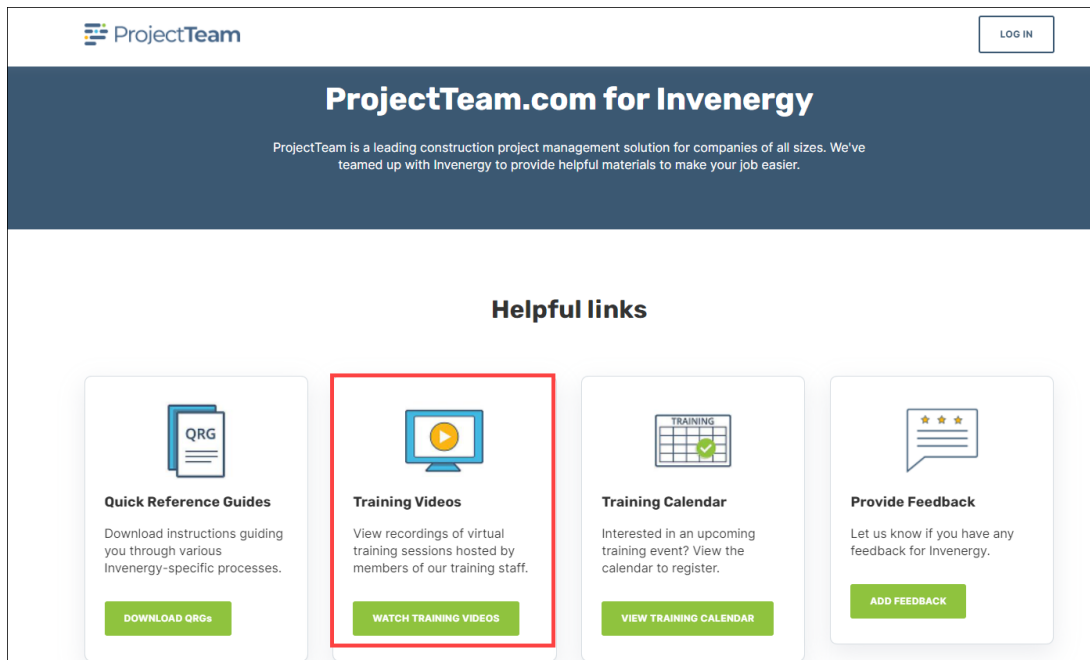

## Quick Reference Guides

QRGs provide you step by step guidance for all Invenergy's processes. Click on the Download QRGs link to view the list of guides.

## Training Videos

On-demand training videos are available for end users to learn more about ProjectTeam.

## Request Training and the Training Calendar

The Training Calendar link allows you to sign up for regularly scheduled training sessions Project Controls group has available.

Additionally, if you require project specific training, please reach out to [ProjectTeam@Invenergy.com](mailto:ProjectTeam@Invenergy.com).

## Get Help

If you require additional assistance or have questions, please email support at [ProjectTeam@Invenergy.com](mailto:ProjectTeam@Invenergy.com).
